

Resume Achim

Lange Achim Lange was born in 1973 in Bad Segeberg. After earning his degree in mathematics at the University of Applied Sciences in Flensburg, he worked as a portfolio manager with the Institutional Asset Management Division of the Berenberg Bank in Hamburg. Subsequently he took a position with the Hamburger Sparkasse AG, where he initially worked as team leader before later heading Portfolio Management in the Private Banking Division from 2009 until the end of 2020. During this time he was responsible for the administration of assets, the bank's own investment funds, and special fund mandates.

Since 2021 Achim Lange has been in charge of the Finance, Personnel and Administration Division at the ZEIT-Stiftung Ebelin und Gerd Bucerius in Hamburg.
